MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: John H. Waller
Inspector General

SUBJECT: Filling of Remaining Slot in T/O of
Inspector General

1. I would like to ask your concurrence for adding Mr. [REDACTED] whose biographic profile is attached, as an Inspector to my Staff, filling the one remaining open slot. I have informally discussed this with the DDO, in whose Directorate [REDACTED] works. Mr. Wells has no objection to my drafting [REDACTED] for the IG Staff on a three-year tour, beginning in January 1977 following his current duty on a promotion panel. I have also informally discussed this subject with [REDACTED], who would be pleased with such an assignment.

[REDACTED]

ceived strong fitness reports. I have confidence that he has the experience and attributes to make a good Inspector. He would bring to the Staff not only his considerable Agency experience but he would give us an officer younger than our present complement of Inspectors, a quality I believe we need. He would also be helpful in giving us better insights into minority problems as they bear on some of our inspections.

3. I would be pleased to discuss this further with you if you have any questions.
